

Tri-State has hired several of the best people in the Country to handle the needs of governmental entities in their quest to save money and consolidate services while giving their employees the best benefits possible. Tri-State's new staff has worked in all levels of government and knows how to assist with the various constituencies that must be included in any change to the status quo.

THIS WILL NOT BE AN EMPLOYEE LEASING ARRANGEMENT!!

Tri-State understands that governments and governmental entities must keep their Federal ID numbers in order for their employees to maintain their eligibility for state retirement benefits. ...your employees will remain your employees.

We offer our "Government" clients:
